AWCAC Appeal No. 18-022

On 7/31/19, a notice of appeal was received in the Appellate Clerk's office. This case cannot currently be opened because, on 8/21/19, the Alaska Workers' Compensation Appeals Commission issued an order granting partial reconsideration of the Commission's final decision. The Commission has 30 days from the date of the order granting partial reconsideration to issue its decision on reconsideration.

Once the Commission issues its decision on partial reconsideration, this appeal will be ripe and an opening notice can be issued. The Alaska Workers' Compensation Appeals Commission clerk is directed to file the Commission's decision on partial reconsideration with this court once it has been issued.
